WE DO THE COOKIN' & CLEANIN'!

Jose's SouthWest Grille is a complete food catering business. We can set up a food buffet featuring Jose's famous southwest flavors, or we can simply provide professional bartenders to pour mixed drinks, beer, wine and champagne for you and your guests. Our goal is to provide an excellent catering service with an upscale image that reflects your good taste. You can be assured that the service you receive is professional, efficient and friendly. Your guests will be impressed and you can relax and enjoy your special party or business function. We do the cooking and cleaning, you do the eating and grinning! Our experienced staff will arrive on time, in professional attire and with a great attitude. We work well with event planners and welcome the chance to work with them for your special event.

TESTIMONIAL

We have always known that when we need to cater an event, Jose's is one call and it's done. They are always early to allow plenty of time to set things up, make sure the food stays warm, and the service stays friendly. As busy as we get through the day, it's nice to know that when we need great food at a good price. Jose's is just one simple phone call away. Ole for Jose's, you'll be happy you called them.
